The resources list may change due to the constant changes on the internet. Some sites may no longer be viable; new sites arrive daily. Some sites are noted in multiple topical header sections.

Assessments

<http://www.us.manpower.com/>

Manpower: A company that connects jobseekers to employees

<http://online.onetcenter.org/skills/>

“The O*NET Work Importance Profiler (WIP) is a computerized self-assessment career exploration tool that allows customers to focus on what is important to them in a job. It helps people identify occupations that they may find satisfying, based on the similarity between their work values (such as achievement, autonomy, and conditions of work) and the characteristics of the occupations.”
